30 each of the economic development regions of the state.

31 (b)(1) In order to improve the state's ability to compete in the
32 knowledge-based economy the Arkansas Higher Education Coordinating Board may
33 create acknowledged centers of excellence.

34 (2)(A) Institutions of higher education may submit proposals to
35 the Department of Higher Education to become a center of excellence.

36 (B) In each proposal for creation of a center of

1 excellence, institutions shall identify the center's:

2 (i) Technical alignment, academic alignment, or both
3 technical and academic alignment to existing or future businesses and
4 industries in the state.

5 (ii) Collaboration plan to serve a particular
6 occupation.

7 (c)(1) Two (2) representatives of the Department of Higher Education
8 as designated by the Director of the Department of Higher Education, and one
9 (1) representative each of the Department of Economic Development and the
10 Arkansas Science and Technology Authority shall meet jointly as needed to
11 review applications.

12 (2) The Department of Higher Education, the Department of
13 Economic Development, and the Arkansas Science and Technology Authority shall
14 jointly make a recommendation to the Arkansas Higher Education Coordinating
15 Board regarding which institutions shall be acknowledged as centers of
16 excellence in a particular program or field of study based on factors,
17 including, but not limited to:

18 (A) Number, type, and demand for related jobs;

19 (B) Quality of related instructional or research programs,
20 or both.

21 (C) Availability of faculty;

22 (D) Student accessibility;

23 (E) Feasibility of expected program cost; and

24 (F) Research capability.

25 (d) Final approval of centers of excellence shall be made by the
26 Arkansas Higher Education Coordinating Board.

27 (E) The designation of centers of excellence shall be fully reviewed
28 at least once every five (5) years.
