

STAY SAFE

- **ALWAYS** lock your doors
(residence and vehicle)

-**NEVER** leave belongings unattended
(Especially leaving items on a table while you: check laundry, pick up copies from the copy machine, and going to get food at the cafeteria.)

-Be aware of your surroundings at all times

-Let your friends know where you are going and when you expect to return.

-When walking at night, walk in groups and in well lighted areas.

(University Police offers free escorts on campus)

-**ALWAYS** report suspicious activity to the police.

-Program University Police into your cell phone.
972-2093

-**NEVER** prop doors.

(This allows ANYONE to enter a building, including SEX OFFENDERS and BURGLARS. If you find a door propped open, please take the time to secure the door. If the door is unable to secure, please report this immediately to University Police or Facilities Management.)

- If you ride a bicycle, always secure it to a bike rack with a steel U lock. Many thieves are cutting chain and cable locks.

-Register items of value with the University Police
